Curriculum

Reading: We will continue learning about different types of poetry. We will also begin a new unit that reviews the elements of fiction texts (characters, setting, problem, solution and sequencing).

Writing: We will be working on writing stories with a beginning, middle and end. We will be focusing on adding details, spelling, grammar and punctuation.

Math: We will continue working on problem solving with a focus on how addition and subtraction are related. We will also begin a new unit on measurement and graphing.

Science: We will continue learning about animal characteristics and adaptations. We will also be learning about life cycles of different animals.

Social Studies: We will be learning about our economy: goods and services, needs and wants, making choices and the value of work.
