Curriculum

Reading: We will be learning about the differences between fiction and nonfiction books. We will also begin a new unit on research.

Writing: We will be learning about the research process: choosing a topic, asking questions, finding resources, recording and organizing facts, and presenting the information.

Math: We will be working on addition strategies and the concept of equality. We will also be learning about different ways to represent numbers 1-99.

Science: We will be learning about the seasons and objects in the sky (sun, moon, and stars).

Social Studies: We will be learning about landforms, bodies of water and natural resources.
