

Parents,

please read with your child for 15 minutes each night. By reading at home, you will help reinforce the skills that we are learning in the classroom such as fluency, comprehension and confidence!

Here are some ideas that you can do before, after, or while reading the book:

- \* Talk about the cover/title.
- \* Talk about the characters.
- \* What is happening in the story?
- \* Is the book fiction or nonfiction? How do you know?
- \* How were the characters feeling? What made them feel that way?
- \* Retell the story using your own words.

Ways to read a book:

- \* I can read to you
- \* You can read to me
- \* We can read together

Thank you for your support and helping your child become a strong reader. Make sure you initial the log so your child can earn rewards in the classroom!

Thank you,

Ms. Jungmann
